Amendment to Travel Order issued to [redacted], FBIB

REF. : a. Travel Order No. 277-49 dated 15 September 1948, issued to [redacted], London Bureau, FBIB. (Copy attached)

b. Letter dated 9 October 1948 to Chief, FBIB from [redacted] (Copy attached)

c. Request for amendment to Travel Order No. 277-49 dated 15 September 1948, attached hereto.

1. [redacted] London Bureau, FBIB was returned to the United States 21 September 1948 for purpose of 60 days temporary duty and reorientation at the Departmental offices, FBIB. Upon his arrival in Washington [redacted] was granted 30 days annual leave prior to this period of temporary duty.

2. As evidenced by reference b above, [redacted] mother is critically ill, and it appears inadvisable for him to return to Washington at the end of his present period of leave.

3. Inasmuch as [redacted] home is located near the FBIB West Coast Bureau and a suitable vacancy exists on the editorial staff of this Bureau, it is desired to assign him for duty there for a period not to exceed six months subject to the following conditions:

a. No per diem for the six months period would be claimed.

b. [redacted] would not be reimbursed for travel from Washington to Reseda nor for travel from Reseda to Washington.

c. At the end of six months or sooner if his personal affairs permit [redacted] would return to Washington for 60 days temporary duty. Upon completing temporary duty period [redacted] would return to his post at the London Bureau.

d. Because of the fact that [redacted] may wish to take approximately thirty days additional annual leave during his period of temporary duty at the West Coast Bureau such additional time has been included in the request for amendment of travel order.

4. It is therefore recommended that the attached request for amendment to travel order (reference c above), be approved.

[redacted] is document part of classified integrated file. NAME CHECK required prior to individual classification.
